

# MultiVent Roof Terminal 125 830mm Black Bulk

Article number: 189070

## Product overview

The MultiVent Roof Terminal 125 830mm Black is a high-performance roof terminal designed for efficient airflow in both mechanical and natural ventilation systems. It's ideal for heat-recovery units, domestic hot water heat pumps, tumble-dryer exhaust, and dual-flow intake and extraction thanks to its improved aerodynamic design.

- Suitable for natural, hybrid, and mechanical ventilation
- Ideal for toilets, kitchens, bathrooms and laundry rooms
- Contributes to a healthy indoor climate
- Enhances living comfort and home durability
- Draught-enhancing cap for reliable extraction
- High-performance airflow
