

Air Excellent AE48C Crossing Kit

Article number: 189035

Product introduction

The AE48C Crossing Kit enables two AE48C semi-rigid ducts to cross with minimal space requirements. With a height of just 50 mm, the crossing kit is designed to bypass obstacles. When a second AE48C crossover kit is placed on top of the first, the AE48C ducts can be crossed without increasing the overall height of the installation. Includes two AE48C Click-Seal Rings.

- Airtight connections for reliable system performance
- Low pressure loss to reduce fan energy use
- Quick, tool-free installation
- Lightweight design for easy handling
- TÜV SÜD-certified for quality and safety
