

# Air Excellent DB206 horizontal adaptor 160

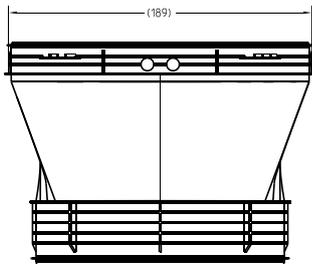

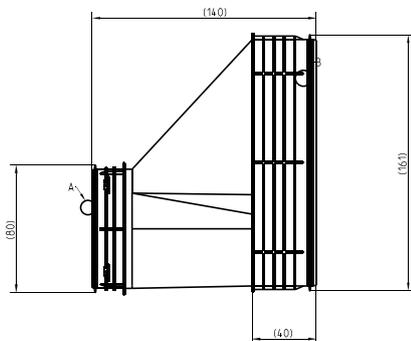

Article number: 188977

## Product introduction

The horizontal adaptor facilitates easy connection of the 160mm Aerfoam insulated ducts to an Air Excellent distribution box.

- Minimizes system pressure loss with its efficient design
- Ensures airtight and safe assembly with integrated TPE seals, reducing fan energy use and minimizing sound production
- Suitable for new build and renovation
- Easy maintenance and servicing
- Easy to install, tool-free installation, lightweight material.
