

Rain Collar 131 Red + Universal Flashing Ubiflex B3 131 Red 5-25°

Article number: 189910

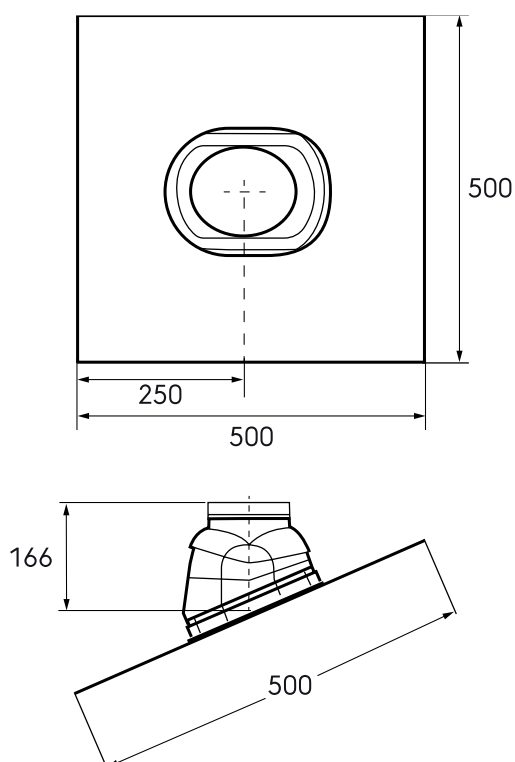

Product overview

The universal flashing with rain collar is a complete waterproof flashing kit for Ubbink roof terminals in Ø60/100 mm and Ø80/125 mm. Designed for roof pitches from 5° to 25°, it combines a rain collar with a highly flexible Ubiflex flashing that adapts to the roof profile for a reliable, weathertight seal. The integrated adjustable ball joint allows precise alignment with the roof pitch, ensuring a fast installation and long-lasting protection against water ingress.

- One complete installation kit
- Flexible flashing for a perfect fit
- Fast roof pitch adjustment
- Long-lasting weather protection
- Suitable for multiple roof terminal sizes
