

UB37 In-Line Plain Tile Terminal

Product features and benefits

- No batten cutting necessary
- 110mm diameter adaptor for connection to soil & vent/ Mechanical extraction

Application

- Suitable for most concrete and clay plain tiles

Material

- Unit - PVC-U
- Adaptor - Styrosun 3600 UV Resistant High Im-pact Polystyrene

Dimensions

- L: 310mm x W: 330mm

Weight

- 0.95kg per unit
- 9.5kg per box

Packaging

- 10 per box

Performance

- Provides 6,250mm² free vent area
- The pressure airflow resistance is 43.5 Pascal at 100m³/h

Colours

- Red
- Terracotta
- Anthracite
- Sepia

Product Code
