

Air Excellent AE34C Valve Adaptor 125mm 90° Haelix Stella

Article number: 188071

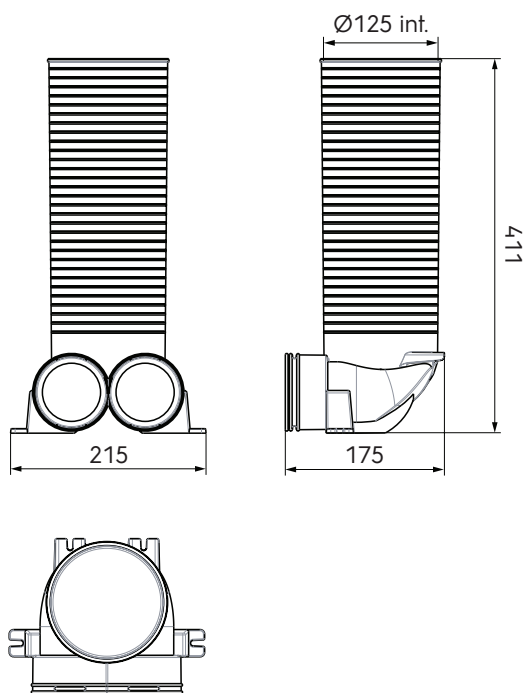

Product introduction

The Air Excellent AE34C Valve Adaptor 125 mm 90° ensures a perfect fit for the Haelix Stella valve, providing a seamless connection to an AE34C Air Excellent duct. A built-in cable gland allows a 16 mm pre-wired prefix to pass through for quick and secure electrical connection of the Haelix Stella valve. Designed for easy installation, it ensures a reliable and efficient setup for ventilation and lighting in one.

- Class ATC1 up to +/- 1000 Pa thanks to mechanical connections, minimize fan energy use and sound production.
- Features a built-in cable gland for secure electrical connection.
- Simple to cut to the desired length, ensuring a perfect fit for every installation.
- Easily assembled with the Haelix Stella valve and Air Excellent duct for a seamless setup.
