

# Cable and pipe roof terminal 55 0° Alu insulated

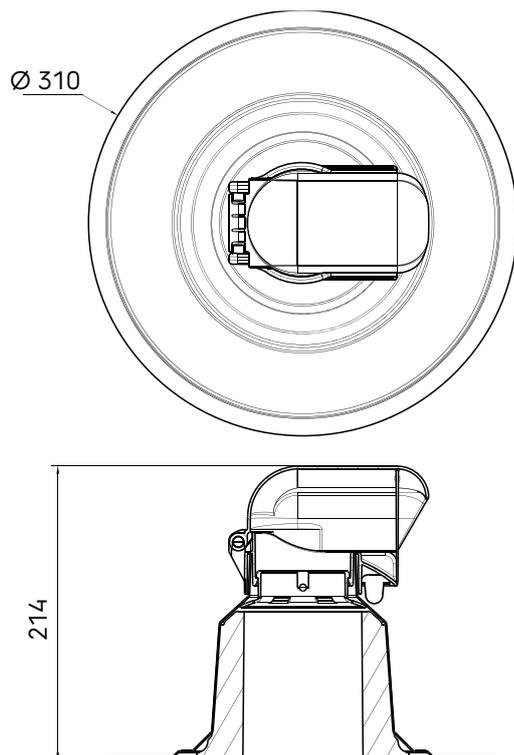

Article Number: 0770225

## Product introduction

The insulated cable and pipe penetration system is designed for seamless installation and optimum protection. With a hinged cover for easy access, it simplifies the installation of cable bundles. With an integrated bird and leaf guard, the system remains protected from external elements. Compatible with universal and brand-independent systems, this input solution is the perfect choice for reliable performance in various setups. Ideal for professionals seeking efficiency and versatility.

- Hinged hood for easy installation
- Integrated bird and leaf protection
- Ideal for easy placement of cable bundles
- Compatible with universal and brand-independent systems

## Technical specifications

Specifications	
General	
Article type	Cable ducts
Technical	
Colour	Black
Material	ALU/PP
Bird protection	<input checked="" type="checkbox"/>
Indent	<input checked="" type="checkbox"/>
Adhesive plate diameter	310 mm
Adhesive plate height	150 mm
Framing material	Aluminium
Insulated	<input checked="" type="checkbox"/>
	55
Performance	
Can be glued	<input type="checkbox"/>
Self-adhesive	<input type="checkbox"/>
UV resistance	<input checked="" type="checkbox"/>
Installation	
Roof type	Plat
Roof angle (min.)	0 °
Roof angle (max.)	0 °
Dimensions	
Length	310 mm
Width	310 mm
Height	214 mm
Height above roof	214 mm
Logistics	
Gross weight	0.794 kg
Packaging/length	393 mm
Packaging / width	393 mm
Packing / height	260 mm
