

Airtec Plus Ridge and corner roll 330mm x 6.5m black

Article Number: 0203983

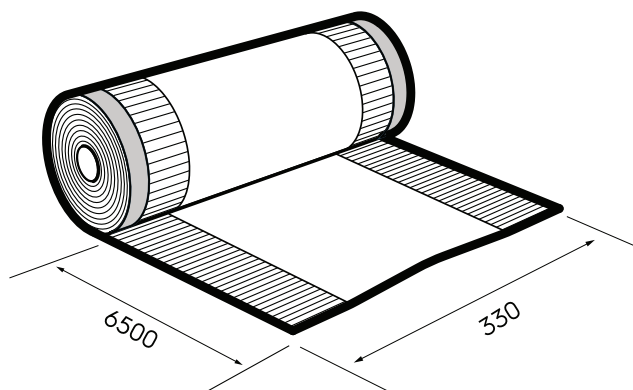

Product introduction

The Airtec Plus Ridge and hip roll offers durable protection against rain and ensures high ventilation capacity at the ridge. The UV-resistant, dirt-repellent aluminium adapts to all roof tile models, while the strong butyl strips adhere from 0 °C. The stitched fabric made of recycled PET guarantees permanent ventilation. Supplied in rolls of 6.5 m.

- Provides 200 cm²/m ventilation via a stitched core of **recycled PET**.
- Fits all roof tiles with stretch laminated PET aluminium in 330 mm and 360 mm widths.
- High adhesion 30 mm butyl strips ensure strong adhesion from 0 °C.
- Durable, UV-resistant and dirt-repellent material with 15% recycled PET.
- Supplied in 6.5 m rolls for quick and easy installation.
