

Adaptor 100-110-125-150-160

ubbink

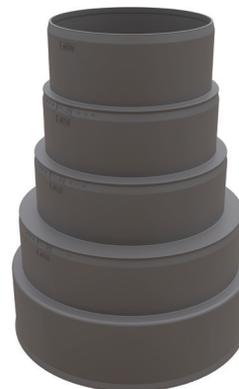

Build smart.

Article number: 544184

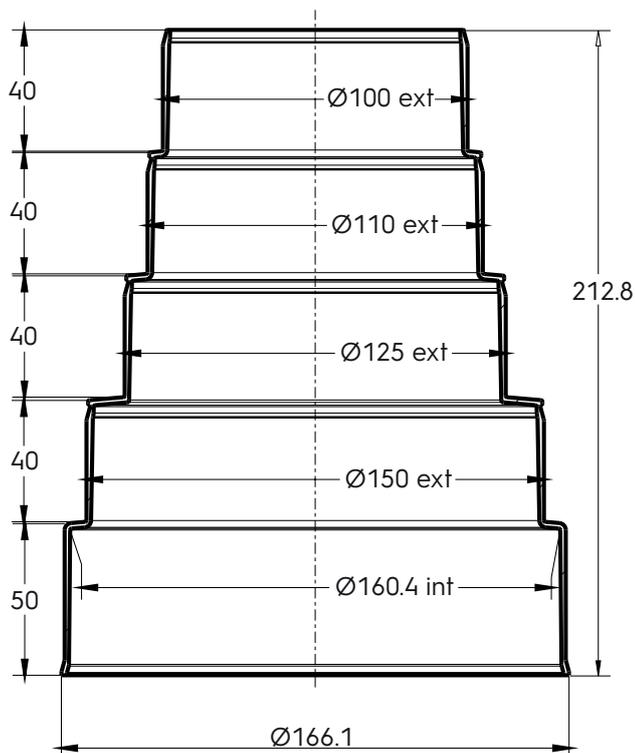

Product introduction

This adaptor is a versatile connector designed to link Ubbink roof tile and slate vents to a wide range of duct diameters. Thanks to its stepped design, the adaptor can be cut to size, ensuring a perfect and secure fit for ducting systems from 100 mm up to 160 mm.

- One adaptor fits five duct sizes from 100 to 160 mm.
- Quick installation by cutting to the required diameter.
- Reduced stockholding with one product covering many needs.
- Compatible with UB16 and with UB19 when used with the Felt Sleeve.

Product dimensions

Application

Converts UB16 or UB19 to service terminal.

Regulation

All tested to British Standards and Regulations.
